Losing Grip by Avril Lavigne

'Cause you weren't there

Fill in the gaps

Are you aware of what you (1) me feel	When I was scared
Baby	I was so alone
Right now I (2) invisible to you	You, you need to listen
Like I'm not real	I'm starting to trip
Didn't you (3) me lock my arms around you?	I'm (8) my grip
Why'd you turn away?	And I'm in this thing alone
Here's what I have to say	Crying out loud
I was left to cry there	I'm crying out loud
Waiting outside there	Crying out loud
Grinning with a lost stare	I'm crying out loud
That's when I decided	Open your eyes
Why should I care?	Open up wide
Cause you weren't there	Why should I care?
When I was scared	'Cause you weren't there
I was so alone	When I was scared
You, you (4) to listen	I was so alone
I'm starting to trip	Why should I care?
I'm losing my grip	'Cause you weren't there
And I'm in this thing alone	When I was scared
Am I just (5) chick you placed	I was so alone
Beside you	Why (9) I care?
To take somebody's place?	If you don't care, then I don't ca
When you turn around	We're not going anywhere
Can you recognize my face?	Why should I care?
You used to love me	'Cause you weren't there
You (6) to hug me	When I was scared
But that was in the case	I was so alone
Everything wasn't okay	Why should I care?
I was left to cry there	If you don't care
Waiting (7) there	Then I don't care
Grinning with a lost stare	We're not going anywhere
That's when I decided	
Why should I care?
