

## Fill in the gaps

| Tell me (1) our time went         |  |  |
|-----------------------------------|--|--|
| And if it was time (2) spent      |  |  |
| Just don't let me fall asleep     |  |  |
| Feeling (3) again                 |  |  |
| 'Cause I fear I might break       |  |  |
| And I (4) I can't (5) it          |  |  |
| Tonight I'll lie awake            |  |  |
| Feeling empty                     |  |  |
| I can (6) the pressure            |  |  |
| It's (7) (8) now                  |  |  |
| We're better off without you      |  |  |
| I can feel the pressure           |  |  |
| It's getting (9) now              |  |  |
| We're (10) off without you        |  |  |
| Now that I'm losing hope          |  |  |
| And there's nothing else to show  |  |  |
| For all of the days (11) we spent |  |  |
| Carried away (12) home            |  |  |
| Some (13) I'll (14) know          |  |  |
| And I had to let (15) go          |  |  |
| I'm (16) all alone                |  |  |
| Feeling empty                     |  |  |

| I can feel the pressure     |                 |
|-----------------------------|-----------------|
| It's getting (17)           | now             |
| We're better off without yo | u               |
| I can feel the pressure     |                 |
| It's getting closer now     |                 |
| We're better off without yo | u               |
| Without you                 |                 |
| Some things I'll (18)       | know            |
| And I had to let (19)       | go              |
| Some (20)                   | I'll never know |
| And I had to let (21)       | go              |
| I'm sitting all alone       |                 |
| Feeling empty               |                 |
| I can (22) the p            | oressure        |
| It's getting closer now     |                 |
| We're better off without yo | u               |
| Feel the pressure           |                 |
| It's (23)                   | closer now      |
| You're better off (24)      | me              |
|                             |                 |
