Fill in the gaps

Coconut Tree by Mohombi & Nicole Scherzinger

I'll always remember	That's not the case tonight
Our (1) in Hawaii	You gon' make me stay
(Aloha nui loa)	You gon' make me stay
Under the coconut tree we stay	You gon' make me (7) forever
Fall and crash into me like a wave	You gon' make me stay
You bring the fool out my groove	You gon' make me stay
Baby, use your tubes	You gon' make me stay forever
Make me wanna change my ways	Sing it to me baby, that melody
Under the coconut tree	Well, I hear the drums
You be chilling with me	You gon' make me stay
Making love to you in a bedford room	You gon' lep it play
Made of sand and sea	Baby, turn it up, up
No place I'd rather be	You sound just like love
No one else I wanna please	You gon' make me stay
No one but you boo I got you	Baby, turn it up, up
Got the best of me	You sound just like love
(Heey-ey-ey!)	Just like love
Usually I'll be gone before the morning light	(Heey-ey-ey!)
(Ooh-oh-oh!)	Usually I'll be gone before the morning light
But you best keep telling me	(Ooh-oh-oh!)
That's not the case tonight	But you best keep telling me
You gon' make me stay	That's not the case tonight
You gon' (2) me stay	You gon' make me stay
You gon' make me stay forever	You gon' make me stay
You gon' make me stay	You gon' make me stay forever
You gon' make me stay	You gon' (8) me stay
You gon' (3) me stay forever	You gon' make me stay
Under the coconut tree we stay	You gon' make me stay forever
Watch as the night turns (4) day	(Heey-ey-ey!)
We let the fire be the light	Usually I'll be gone before the morning light
Sky is the floor tonight	(Ooh-oh-oh!)
Fly me (5) your gentlest way	But you best keep telling me
Under the coconut tree	That's not the case tonight
You be (6) with me	You gon' make me stay

Made of sand and sea	You gon' make me stay forever
