

## Fill in the gaps

It's always (1) (2) me myself and I	So can we say
I thought relationships	I do, I do, I do, do do do do do do
Were (3) but a (4) of time	(Oh) baby
I never wanted to be anybody's other half	I do, I do, I do, do do do do do do
I was (5) saying that our love wouldn't last	'Cause (14) time (15) it's been
That was the only way I knew (6) I met you	Like maybe yes and maybe no
You make me wanna say I do	I won't live without it, I won't let it go
I do, I do, do do do do do do	(Wooh) can I get (16) into
Yeah, I do, I do	You make me wanna say
I do do do do do do do	Meet my family, how is your family
'Cause (7) time before it's been	(Oh) can we be a family?
Like maybe yes and maybe no	And when I'm many (17) old
I could (8) without it	And sitting next to you
I (9) let it go	And we'll (18) when we said
(Oh) what did I get myself into	I do, I do, I do, do do do do do do
You (10) me wanna say I do	(Oh) baby
I do, I do, I do, I do	I do, I do, I do, do do do do do do
Tell me is it only me	'Cause every (19) before it's been
Do you feel the same?	Like maybe yes and (20) no
You know me well enough to know	No, I won't live (21) it, I won't let us go
That I'm not (11) games	Just (22) at what we got
I promise I won't turn around	(23) into
And I won't let you down	You make me wanna say I do
You can trust I (12) felt like I (13) it	I do, I do, I do, I do
now	Love you
Baby there's nothing, there's nothing	
We can't get through
