

Fill in the gaps

It kills me not to know this	Because I don't know
But I've all but just forgotten	That's when she said I do
What the color of her eyes were	I just want to (11)
And her scars or how she got them	While there's (12)
As the telling signs of age (1) down	That's when I told her I lov
A single tear is dropping	But I'm not the answer
Through the valleys of an aging face	For the questions that you
That this world has forgotten	(Oooh oooh)
There is no reconciliation	One thousand miles away
That will put me in my place	There's nothing (14)
And there is no time like the present	But so (15) left
To drink these (2) seconds	We never had a choice
But seldom do these words ring true	This (17) is t
When I'm (3) failing you	It (18) me ur
Like walls that we just can't break through	It takes me under (19)
Until we disappear	I don't hate you
So tell me now	I don't hate you, no
If this ain't love then how do we get out?	So (20) me nov
Because I don't know	If (21) ain't lo
That's when she said I don't hate you boy	out?
I just want to (4) you	Because I don't know
While there's still (5) left to save	That's when she said I dor
That's when I (6) her I love you girl	I just (23) to sa
But I'm not the answer	While there's still something
For the questions that you still have	That's when I told her I lov
(Oooh oooh)	But I'm not the answer
But the day (7) on like crushing weights	For the questions that you
For no man does it ever wait	(Oooh oooh)
Like memories of (8) days	I don't (24) you
That deafen us like hurricanes	I don't (25) you
Bathed in flames we held the brand	(Oooh oooh)
Uncurled the fingers in your hand	I don't hate you
Pressed into the flesh like sand	I don't (26) you
Now do you understand?	(Oooh oooh)
So tell me now	
If this ain't (9) then how do we get out?	

That's when she said I don't (10) you boy
I just want to (11) you
While there's (12) something left to save
That's when I told her I love you girl
But I'm not the answer
For the questions that you (13) have
(Oooh oooh)
One thousand miles away
There's nothing (14) to say
But so (15) left (16) I don't know
We never had a choice
This (17) is too much noise
It (18) me under
It takes me under (19) again
I don't hate you
I don't hate you, no
So (20) me now
If (21) ain't love (22) how do we get
out?
Because I don't know
That's when she said I don't hate you boy
I just (23) to save you
While there's still something left to save
That's when I told her I love you girl
But I'm not the answer
For the questions that you still have
(Oooh oooh)
I don't (24) you
I don't (25) you
(Oooh oooh)
I don't hate you
I don't (26) you, no
(Oooh oooh)
