Savior by Rise Against

It kills me not to know this

But I've all but just forgotten

What the color of her eyes were

And her scars or how she got them

As the telling signs of age rain down

A single tear is dropping

Through the (1)_____ of an aging face

That this (2)_____ has forgotten

There is no reconciliation

That will put me in my place

And there is no time like the present

To drink these draining seconds

But seldom do these words ring true

When I'm constantly failing you

Like walls that we just can't break through

Until we disappear

So tell me now

If this ain't love then how do we get out?

Because I don't know

That's when she said I don't hate you boy

I just want to save you

While there's still something (3)_____ to save

That's (4)_____ I told her I love you girl

But I'm not the answer

For the questions that you still have

(Oooh oooh)

But the day pressed on (5)_____ crushing weights

For no man (6)_____ it ever wait

Like memories of dying days

That deafen us like hurricanes

Bathed in flames we held the brand

Uncurled the fingers in your hand

Pressed into the flesh like sand

Now do you understand?

So tell me now

If this ain't love then how do we get out?

Because I don't know

That' s when she said I don't hate you boy

I just want to save you

While there's still something left to save

That's (7)_____ I told her I love you girl

But I'm not the answer

For the questions that you still have

(Oooh oooh)

One thousand miles away

There's (8)_____ left to say

But so much left that I don't know

We never had a choice

This (9)_____ is too much noise

It takes me under

It takes me under once again...

I don't hate you

I don't hate you, no

So tell me now

If this ain't love then how do we get out?

Because I don't know

That's when she said I don't hate you boy

I just want to save you

While there's still something left to save

That's when I told her I love you girl

But I'm not the answer

For the questions that you still have

(Oooh oooh)

I don't hate you

I don't hate you

(Oooh oooh)

I don't hate you

I don't hate you, no

(Oooh oooh)
