Give It All by Rise Against

Break through the undertow

Fill in the gaps

Breathe

Your hands I can't seem to find		The air we give
Pollution burns my tongue		The life we live
Cough words I can't (1) so I		Our pulses racing distances
Stop my struggling		So wet my tongue
Then I (2) to the surface		Break into song
Fill my lungs with air		Through seas of competition
Then let it out		So please believe your eyes
I give it all		A sacrifice
Now there's a reason why I sing		Is not what we had in our minds
So (3) it all		I'm coming home tonight
And it's these reasons that (4)	to me	Home tonight
Rock bottoms where we live		We give it all
And still we dig these trenches		Now (7) a reason why I sing
To bury ourselves in them		So (8) it all
Backs breaking under tension		And it's these reasons (9) belong to me
For far too long these voices		Today I offer all myself to this I'm living for my dying wish
Muffled by distances		I give it all
It's time to come to our senses		Now there's a reason
Up from the dirt		There's a reason
We give it all		To give it all
Now there's a reason why I sing		
So give it all		
And it's these (5) (6)	belong to
