

Fill in the gaps

Do you (1) a guy that's been	I'm happy, hope you're happy, too
In such an (2) song?	One flash of (8) but no (9)
I've heard a rumour (3) ground control	pistol
Oh no, don't say it's true	I've never (10) (11) things
They got a message from the (4) man	I've (12) done bad things
I'm happy, hope you're happy, too	I never did (13) out of the blue
I've loved all I've needed love	(woh-o-oh)
Sordid details following	Want an axe to break the ice
The (5) of nothing is killing just	Wanna come down right now
Pictures of Jap (6) in synthesis and I	Ashes to ashes, funk to funky
Ain't got no money and I ain't got no hair	We know (14) Tom's a junkie
But I'm hoping to kick	Strung out in heaven's high
But (7) planet is glowing, glowing, glowing	Hitting an all-time low
Ashes to ash and funk to funky	My mother (15) "to get (16)
We know Major Tom's a junkie	done
Strung out in heaven's high	You'd better not (17) (18) Major Tom"
Hitting an all-time low	My mother (19) "to get things done
Time and again, I tell myself	You'd better not mess with (20) Tom"
I'll stay clean tonight	My mother said: "to get things done
But the little green wheels are following me	You'd better not mess (21) (22) Tom"
Oh no, not again	My mother (23) "to get things done
I'm stuck with a valuable friend	You'd better not mess with Major Tom"
