Who's to say	Things aren't (13) just what (14)
What's impossible, well they forgot	seem
This world keeps spinning	I (15) to turn the whole thing (16)
And with (1) new day	down
I can (2) the change in everything	I'll find the things they say just can't be found
And as the surface (3) reflections fade	l'll share (17) love l (18) (19)
But in (4) ways they remain the same	everyone
And as my mind begins to spread its wings	We'll (20) and dance to Mother Nature's songs
There's no (5) curiosity	This world keeps (21) and there's no
I wanna turn the (6) thing upside down	Time to waste
I'll find the things they say (7) can't be found	Well it all
I'll (8) (9) love I find with everyone	Keeps (22) (23)
We'll (10) and (11) to Mother	round and (24) and
Nature's songs	Upside down
I don't want this feeling to go away	Who's to say what's impossible
Who's to say	And can't be found
I can't do everything	I don't want this feeling to go away
Well I can try	Please don't go away
And as I (12) along I begin to find	Is this how it's supposed to be
