Fill in the gaps

Gotta Go My Own Away by High School Musical 2

I gotta say what's on my mind	But at least for now
Something about us	I (15) go my own way
Doesn't seem right these days	What (16) us?
Life keeps getting in the way	What (17) everything we've been through?
Whenever we try (1) the plan	What about trust?
Is always rearranged	You know I never wanted to (18) you
It's so hard to say	What about me?
But I gotta do what's best for me	What am I (19) to do?
You'll be okay	I gotta leave but I'll miss you
I've got to move on, and be who I am	
I just don't belong here	So I've got to move on, and be who I am
I hope you understand	(Why do you have to go)
We might find our (2) in (3)	I just don't belong here
(4) someday	I hope you (20) (trying to
But at (5) for now	understand)
I gotta go my own way	We (21) find our place in this world someday
Don't wanna leave it all behind	But at (22) for now (I (23) you to
But I get my hopes up	stay)
And I watch (6) fall every time	I (24) go my own way
Another (7) (8) to grey	I've got to move on, and be who I am
And it's just too hard to watch it all	(What about us?)
Slowly (9) away	I just don't belong here
I'm leaving today	I hope you understand (trying to understand)
Cause I gotta do what's (10) for me	We might (25) our (26) in this world
You'll be okay	someday
I've got to move on, and be who I am	But at (27) for now
I (11) don't (12) here	I gotta go my own way
I hope you understand	I've (28) go my own way
We (13) find our place in (14) world	I've gotta go my own way
someday
