

## Fill in the gaps

If you have (1) to tell me	So let there be love	
Of how you feel inside	'Cause it's everything we need	
I (2) it is love	It's like the air that we breathe	
If you have a single question	And I know nothing can replace it	
I want it to be this	It's always leaving traces	
Can you feel the love?	Let (7) be love	
Tell me now	Let there be love	
So I know	Let there be love	
Why it (3) you feel alive	Everything we need	
Why it hurts to say goodbye	Let there be love	
Why you'll never (4) lose	Let there be love	
What is meant to be with you	Let there be love	
So let there be love	Everything we need	
So let there be love	I hope it's love	
Sometimes you can live a whole life	'Cause it's (8)	we need
In just a single day	It's like the air that we breathe	
Let the (5) flow	And I know nothing can replace it	
When you hear another heartbeat harmonizing	It's always leaving traces	
Yours and you will know	Let (9) be love	
It's the feeling of	Let there be love	
Something more	Let there be love	
An open door	Everything we need	
It will make you (6) alive	I hope it's love	
It will hurt to say goodbye	I hope it's love	
But you'll never ever lose		
What is meant to be with you		
So let there be love
