

Fill in the gaps

If you have something to tell me	So let there be love
Of how you feel inside	'Cause it's everything we need
I hope it is love	It's like the air (14) we breathe
If you have a (1) question	And I know nothing can (15)
I want it to be this	It's always leaving traces
Can you feel the love?	Let there be love
Tell me now	Let there be love
So I know	Let (16) be love
Why it makes you feel alive	Everything we need
Why it (2) to say goodbye	Let there be love
Why you'll never (3) lose	Let (17) be love
What is meant to be with you	Let (18) be love
So let (4) be love	Everything we need
So let there be love	I hope it's love
Sometimes you can (5) a whole life	'Cause it's everything we need
In just a single day	It's like the air (19) we breathe
Let the (6) flow	And I know nothing can replace it
When you hear another (7)	It's always (20) traces
harmonizing	Let (21) be love
Yours and you will know	Let (22) be love
It's the (8) of	Let there be love
Something more	Everything we need
An (9) door	I hope it's love
It (10) you feel alive	I (23) it's love
It (12) hurt to say goodbye	
But you'll never ever lose	
What is (13) to be with you	
So let there be love
