I'm through with standing in line	Gonna date a centerfold
To clubs we'll never get in	That loves to blow my (14) for me
It's (1) the (2) of the ninth	(So how you gonna do it?)
And I'm never gonna win	I'm gonna trade (15) life for fortune and fame
This life hasn't (3) out	I'd even cut my hair and change my name
Quite the way I (4) it to be	'Cause we all just wanna be big rockstars
(Tell me what you want)	And live in hilltop (16) driving fifteen cars
I want a brand new house on an episode of Cribs	The girls come easy and the drugs come cheap
And a bathroom I can (5) baseball in	We'll all stay skinny
And a king size tub big enough for ten plus me	'Cause we just won't eat and we'll
(So what you need?)	Hang out in the coolest bars
I'll need a credit card that's got no limit	In the VIP with the movie stars
And a big black jet with a bedroom in it	Every good gold digger's gonna wind up there
Gonna join the mile high club	Every Playboy bunny
At thirty-seven thousand feet	With her (17) (18)
(Been there, done that)	(19) and we'll
I want a new tour bus full of old guitars	Hide out in the private rooms
My own star on Hollywood Boulevard	With the latest dictionary and today's who's who
Somewhere between Cher	They'll get you anything with that evil smile
And James Dean is fine for me	Everybody's got a drug dealer on speed dial, well
(So how you (6) do it?)	Hey, hey I wanna be a rockstar
I'm gonna (7) this life for fortune and fame	I'm gonna sing those songs (20) offend the
I'd (8) cut my hair and (9) my	censors
