I'm through with standing in line	Gonna date a centerfold
To clubs we'll (1) get in	That loves to blow my money for me
It's like the bottom of the ninth	(So how you gonna do it?)
And I'm never gonna win	I'm gonna trade this life for fortune and fame
This life hasn't turned out	I'd even cut my hair and change my name
Quite the way I (2) it to be	'Cause we all just wanna be big rockstars
(Tell me what you want)	And (17) in hilltop houses driving fifteen cars
I want a brand new house on an episode of Cribs	The girls come easy and the drugs come cheap
And a bathroom I can (3) baseball in	We'll all stay skinny
And a king (4) tub big (5) for ten	'Cause we (18) won't eat and we'll
plus me	Hang out in the coolest bars
(So what you need?)	In the VIP with the movie stars
I'll need a credit (6) that's got no limit	Every good (19) digger's gonna wind up there
And a big black jet with a bedroom in it	Every Playboy bunny
Gonna join the mile high club	With her bleach blond hair and we'll
At thirty-seven thousand feet	Hide out in the private rooms
(Been there, done that)	With the latest dictionary and today's who's who
I want a new tour bus full of old guitars	They'll get you anything with (20) evil smile
My own star on Hollywood Boulevard	Everybody's got a drug dealer on speed dial, well
Somewhere (7) Cher	Hey, hey I wanna be a rockstar
And James (8) is fine for me	I'm gonna sing those songs (21)
(So how you gonna do it?)	(22) the censors
I'm gonna (9) this life for fortune and fame	Gonna pop my (23) from a pez dispenser
I'd even cut my hair and change my name	I'll get washed-up singers (24) all my songs
'Cause we all just wanna be big rockstars	Lip sync them every night so I don't get them wrong
And (10) in hilltop houses driving fifteen cars	Well we all just wanna be big rockstars
The girls come easy and the drugs come cheap	And (25) in hilltop houses driving fifteen cars
We'll all stay skinny	The girls (26) easy and the drugs come cheap
'Cause we (11) won't eat and we'll	We'll all stay skinny
Hang out in the coolest bars	'Cause we just won't eat and we'll
In the VIP with the movie stars	Hang out in the coolest bars
Every good (12) digger's gonna wind up there	In the VIP with the movie stars
Every Playboy bunny	Every (27) (28) digger's gonna wind up
Every Playboy bunny With her bleach blond hair and we'll	Every (27) (28) digger's gonna wind up there
