

Fill in the gaps

	And I was (6) and frankly scared
On the other side of a street I knew	as hell
Stood a girl that looked like you	Because I really fell for you
I guess that's deja vu but	(Oh) I swear to you
I thought this can't be true 'cause	I'll be there for you
You moved to west L.A. or	This is not a drive by
New (1) or Santa Fe or	Just a shy guy looking for a two-ply
Wherever to get (2) from me	Hefty bag to hold my love
(Oh) but that one night	When you move me everything is groovy
Was more than just right	They don't like it sue me
I didn't (3) you 'cause I was all through	(Mmm) the way you do me
(Oh) I was overwhelmed	(Oh) I swear to you
And frankly scared as hell	I'll be there for you
Because I really (4) for you	This is not a drive by
(Oh) I swear to you	Please believe
I'll be there for you	That when I leave
This is not a drive by	There's nothing up my sleeve but love for you
Just a shy guy looking for a two-ply	And a little time to get my (7) together too
Hefty bag to hold my love	On the other side of a street I knew
When you move me everything is groovy	Stood a girl that (8) like you
They don't like it sue me	I guess that's deja vu
(Mmm) the way you do me	But I thought this can't be (9) 'cause
(Oh) I swear to you	(Oh) I swear to you
I'll be there for you	I'll be there for you
This is not a drive by	This is not a drive by
On the other side of a downward spiral	Just a shy guy looking for a two-ply
My love for you went viral	Hefty bag to hold my love
And I loved you every mile you drove away	When you move me everything is groovy
But now here you are again so	They don't like it sue me
Let's skip the "how you been" and	(Mmm) the way you do me
Get (5) to the "more than friends" at last	(Oh) I swear to you
(Oh) but that one night	I'll be there for you
Is still the highlight	This is not a drive by
I didn't need you until I came to
