

Fill in the gaps

I don't know who to trust, no surprise	Just takes so much out of me
Everyone it feels so far away from me	Take (6) (7) the inside
Heavy thoughts sift through dust, and the lies	And throw it all away
Trying not to break but I'm so tired of this deceit	Cause I swear for the last time
Everytime I try to make myself	I won't trust myself with you
Get back up on my feet	I won't waste myself on you
All I ever think about is this	You
All the tiring time between	You
And how I try and I put my (1) in you	Waste myself on you
Just takes so much out of me	You
Take everything from the inside	You
And throw it all away	I'll Take everything from the inside
Cause I swear for the last time	And throw it all away
I won't (2) myself with you	Cause I swear for the last time
Tension is building inside, steadily	I won't (8) myself with you
Everyone feels so far away from me	Everything (9) the inside
Heavy thoughts forcing their way out of me	And just (10) it all away
Trying not to break but I'm so tired of (3) deceit	Cause I swear for the last time
Everytime I try to (4) myself	I won't trust myself with you
Get (5) up on my feet	You
All I ever think about is this	You
All the tiring time between	
And how I try and I put my trust in you
