

Fill in the gaps

I don't know who to trust, no surprise
Everyone it feels so far away from me
Heavy thoughts sift through dust, and the lies
Trying not to break but I'm so tired of this deceit
Everytime I try to make myself
Get back up on my feet
All I ever think about is this
All the (1) time between
And how I try and I put my trust in you
Just takes so much out of me
Take everything from the inside
And throw it all away
Cause I swear for the last time
I won't trust myself with you
Tension is building inside, steadily
Everyone feels so far away from me
Heavy thoughts forcing their way out of me
Trying not to break but I'm so tired of this deceit
Everytime I try to make myself
Get back up on my feet
All I ever (2) is this
All the tiring time between
And how I try and I put my trust in you

Just takes so (4) out of me
Take everything from the inside
And (5) it all away
Cause I swear for the last time
I won't trust myself with you
I won't (6) myself on you
You
You
Waste myself on you
You
You
I'll Take (7) from the inside
And throw it all away
Cause I swear for the last time
I won't trust myself with you
Everything from the inside
And just throw it all away
Cause I swear for the (8) time
I won't trust myself with you
You
You
