

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little (1)_____ of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the (2)_____ (3)_____ in
Like a (4)_____ skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (5)_____ with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be (6)_____ else's fault
I can't get caught
If what I am is what I am, 'cause I (7)_____ (8)_____
I does
Then brother, get back
'Cause my breast's gonna (9)_____ open
The rib is the shell and heart is the yolk
And I just need a (10)_____ for us both to choke on

Every single night's a (11)_____ with my brain
I just want to feel everything
I just want to feel everything
I just (12)_____ to feel everything
So I'm (13)_____ try to be still now
Gonna renounce the mill a little while and
If we had a double king (14)_____ bed
We could (15)_____ in it and I'd (16)_____ forget
If (17)_____ I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (18)_____ bust open
My heart's made of parts of all that's (19)_____ me
And that's why the (20)_____ just can't get around me
Every single night's alright
Every (21)_____ night's a fight
And (22)_____ single fight's alright with my brain
I just want to feel everything
I just want to (23)_____ everything
I just want to feel everything
I just want to feel everything
