Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's (1)_____ the (2)_____ comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the (3)_____ in, no
Every single night's a (4)_____ (5)_____ my
brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and (6)_____ is the yolk
And I just need a (7)_____ for us both to choke on

Every (8)_____ night's a (9)_____
(10)_____ my brain
I just want to feel everything
I just want to feel everything
I (11)_____ want to feel everything
So I'm (12)_____ try to be still now
Gonna renounce the mill a (13)_____ while and
If we had a (14)_____ king (15)_____ bed
We could move in it and I'd (16)_____ forget
If (17)_____ I am is (18)_____ I am, 'cause I
(19)_____ (20)_____ I does
And maybe I'd relax, let my breast just bust open
My heart's made of parts of all that's around me
And that's why the (21)_____ just can't get around me
Every single night's alright
Every single night's a fight
And every single fight's alright with my brain
I just (22)_____ to feel everything
I just (23)_____ to feel everything
I just want to feel everything
I (24)_____ want to (25)_____ everything
