Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of little (2)_____ of white-flamed
(3)_____ in my brain
These (4)_____ of mine (5)_____ the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (6)_____ with my brain
What do I say to her?
Why do I say it to her?
What (7)_____ she think of me?
That I'm not what I (8)_____ to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If (9)_____ I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us both to choke on

Every single night's a (10)_____ with my brain
I just want to (11)_____ everything
I (12)_____ want to feel everything
I just want to feel everything
So I'm gonna try to be (13)_____ now
Gonna renounce the mill a little (14)_____ and
If we had a (15)_____ king size bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (16)_____ bust open
My heart's made of parts of all that's around me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And (17)_____ single fight's alright (18)_____ my
brain
I (19)_____ want to feel everything
I just want to feel everything
I just (20)_____ to (21)_____ everything
I just want to (22)_____ everything
