Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ (2)_____ of white-flamed
butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, (3)_____ to a blaze
That's when the (4)_____ (5)_____ in
Like a (6)_____ skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every (7)_____ night's a (8)_____ with my
brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (9)_____ to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I (10)_____ need a (11)_____ for us
(12)_____ to (13)_____ on

Every single night's a fight with my brain
I just want to feel everything
I (14)_____ want to feel everything
I (15)_____ want to feel everything
So I'm (16)_____ try to be (17)_____ now
Gonna renounce the mill a little (18)_____ and
If we had a double king (19)_____ bed
We could (20)_____ in it and I'd soon forget
If what I am is what I am, 'cause I (21)_____ what I does
And maybe I'd relax, let my breast just bust open
My heart's made of parts of all that's (22)_____ me
And that's why the devil just can't get around me
Every (23)_____ night's alright
Every (24)_____ night's a fight
And (25)_____ single fight's alright with my brain
I just want to feel everything
I just want to feel everything
I (26)_____ want to feel everything
I just want to feel everything
