Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed (1)_____ in my brain
These (2)_____ of mine (3)_____ the mind
Trickle down the spine
Swarm the belly, (4)_____ to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit (5)_____ the skin
I can't fit the feelings in, no
Every single night's a light (6)_____ my brain
What do I say to her?
Why do I say it to her?
What does she (7)_____ of me?
That I'm not what I ought to be
That I'm (8)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the (9)_____ and heart is the yolk
And I (10)_____ need a meal for us both to choke on

Every single night's a fight with my brain
I just want to feel everything
I (11)_____ want to feel everything
I (12)_____ want to feel everything
So I'm gonna try to be still now
Gonna (13)_____ the mill a little while and
If we had a double (14)_____ (15)_____ bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I (16)_____
(17)_____ I does
And maybe I'd relax, let my breast just bust open
My heart's made of parts of all that's around me
And that's why the (18)_____ just can't get around me
Every single night's alright
Every single night's a fight
And every (19)_____ fight's alright with my brain
I just want to feel everything
I (20)_____ (21)_____ to (22)_____ everything
I just (23)_____ to feel everything
I just (24)_____ to feel everything
