You'll Be In My Heart by Phil Collins

Fill in the gaps

_ they say

Come stop your crying		Don't listen to them	
It will be alright		Cause what do they know?	
Just take my hand		We need each other	
Hold it tight		To have, to hold	
I will protect you		They'll see in time	
From all (1) you		I know	
I will be here		When (6) calls you	
Don't you cry		You must be strong	
For one so small		I may not be with you	
You (2) so strong		But you've got to hold on	
My arms will hold you		They'll see in time	
Keep you safe and warm		I know	
This bond between us		We'll show (7)	together
Can't be broken		'Cause you'll be in my heart	
I will be here don't you cry		Believe me, you'll be in my heart	
'Cause you'll be in my heart		I'll be there from this day on	
Yes, you'll be in my heart		Now and forever more	
From this day on		Oh you'll be in my heart	
Now and (3) more		(You'll be here in my heart)	
You'll be in my heart		No (8) (9) th
No matter what they say		(I'll be with you)	
You'll be here in my heart		You'll be here in my heart	
Always		I'll be there always	
Why can't they understand		Always	
The way we feel		I'll be with you	
They (4) don't trust		I'll be there for you always	
What they can't explain		Always and always	
I know we're (5)	_ but	Just (10) over	your shoulder
Deep inside us		Just look over your shoulder	
We're not that different at all		Just look over your shoulder	
And you'll be in my heart		I'll be there always	
Yes, you'll be in my heart			
From this day on			
Now and forever more
