

Here's what I'll do, I'll be loose

Fill in the gaps

(Ah, crush, ah)	Not like we have a date with destiny (oh, oh)
See you blowin' me a kiss	It's just, a little crush (crush)
It doesn't (1) a scientist	Not like I faint, every time we touch
To understand whats goin' on baby	It's just, some little thing (crush)
If you see somethin' in my eye	Not like every thing I do
Let's not over analyze	Depends on you
Don't go too deep with it baby (baby)	(Sha la la la)
So let it be, what it'll be	(Sha la la la)
Don't make a fuss and go crazy over you and me	Vanilla skies (vanilla skies)
Here's (2) I'll do, I'll be loose	White picket fences in (7) eyes
Not like we have a (3) with destiny	A vision of you and me (and me)
It's just, a little crush (crush)	It's just, a little crush (crush)
Not (4) I faint, (5) time we touch	Not like I faint, every time we touch
It's just, some little thing (crush)	It's just, some little thing (crush)
Not like every thing I do	Not (8) every thing I do
Depends on you	Depends on you
(Sha la la la)	(Sha la la la)
(Sha la la la)	Not like I faint, every time we touch
It's raisin' my adrenalin'	It's just, (9) little thing
You're bangin' on a heart of tin	Not like every thing I do
Please don't make too much of it, baby (baby)	Depends on you
Say the word "forever" more	(Sha la la la)
That's not what I'm lookin' for	Not like I faint, every time we touch
All I can commit to is (6) (maybe)	(It's just, (10) little thing)
So let it be	
What it'll be	
Don't make a fuss and go crazy over you and me	

- 1. take
- 2. what
- 3. date
- 4. like
- 5. every
- 6. maybe
- 7. your
- 8. like
- 9. some
- 10. some
