## Living In A World Without You by The Rasmus

It's hard to believe that it came to this	Oh there's a world without you
You paralysed my body (1) a poison kiss	I see the light
For 40 days and nights I was chained to your bed	Living in a world without you
You thought that was the end of the story	Oh there is hope to guide me
Something inside me called freedom came alive	I will survive
Living in a world without you	Living in a world without you
You told me my darling	Its hard to believe that it came to this
Without me you're nothing	You paralysed my (7) with a poison kiss
You taught me to look in your eyes	For 40 days and (8) I was chained to your bed
And fed me your sweet lies	You (9) that was the end of the story
Suddenly (2) will stare in the window	Something inside me called freedom came alive
Looking outside at the sky that had never been blue	Living in a world without you
Oh there's a world without you	Its hard to believe that it came to this
I see the light	You paralysed my body with a poison kiss
Living in a world (3) you	For 40 days and nights I was chained to your bed
Oh there is hope to guide me	You thought that was the end of the story
I will survive	Something inside me called freedom came alive
Living in a world (4) you	Living in a world without you
Its hard to believe (5) it came to this	Oh there's a world without you
You paralysed my body with a poison kiss	I see the light
For 40 days and nights I was chained to your bed	Living in a world without you
You thought that was the end of the story	Oh there is hope beside me
Something (6) me called freedom came alive	I will survive
Living in a world without you	Living in a world without you
You put me together	Living in a world without you
Then trashed me for pleasure	Living in a world without you
You used me again and again	Living in a world without you
Abused me, confused me	Living in a world without you
Suddenly naked I run through your garden
