## Living In A World Without You by The Rasmus

It's hard to believe that it came to this		Oh there's a world without you
You (1)	my body with a poison kiss	I see the light
For 40 days and nights I was chained to your bed		Living in a world without you
You thought that was the end of the story		Oh there is hope to guide me
Something inside me called freedom came alive		I will survive
Living in a world without you		Living in a world without you
You told me my darling		Its hard to believe that it came to this
Without me you're nothing		You paralysed my body with a poison kiss
You taught me to (2)	in your eyes	For 40 days and nights I was chained to (5) bed
And fed me your sweet lies		You thought that was the end of the story
Suddenly someone will stare in the window		Something inside me called (6)
Looking outside at the sky that had never been blue		(7) alive
Oh there's a world without you		Living in a world without you
I see the light		Its hard to believe that it came to this
Living in a world without you		You paralysed my body with a poison kiss
Oh there is hope to guide me		For 40 days and nights I was (8) to you
I will survive		bed
Living in a world without you		You (9) that was the end of the story
Its hard to believe that it (3)	to this	Something inside me called freedom came alive
