

When he lays you down, I might just die inside

More Than This (Live) by One Direction

im broken, do you near me?	it just don't (18) right
I'm blinded 'cause you are everything I see	'Cause I can love you more than this, yeah
I'm dancing alone	I've never had the words to say
I'm praying that your heart (1) just turn around	But now I'm asking you to stay
And as I walk up to (2) door	For a little while inside my arms
My head turns to face the floor	And as you (19) (20) eyes tonight
Cause I can't look you in the (3) and say	I pray that you will see the light
When he opens his arms and hold you close tonight	That's shining from the stars above and I say
lt (4) (5) right	When he opens his arms and hold you close tonight
Cause I can love you (7) than this, yeah	It just won't feel right
When he (8) you down, I might just die inside	'Cause I can love you more than this
It just won't (9) right	'Cause I can love you more than this
Cause I can love you (10) than this	When he lays you down, I might just die inside
I can love you more than this?	It just won't (21) right
If I'm louder, (11) you see me?	'Cause I can (22) you more than this, yeah
Would you lay (12) in my (13) and	When he opens his arms and (23) you close
rescue me?	tonight
Cause we are the same	It just don't feel right
You save me, when you (14) it's gone again	'Cause I can love you (24) (25) this,
And then I see you on the street	yeah
In his arms, I get weak	When he lays you down, I might just die inside
My body fails, I'm on my knees praying	It (26) don't feel right
When he (15) his (16) and	'Cause I can love you (27) than this
(17) you close tonight	Can love you more than this?
It just won't feel right	
Cause I can love you more than this, yeah
