When he lays you down, I might just die inside

Fill in the gaps

More Than This (Live) by One Direction

I'm broken, do you hear me?	It just don't feel right
I'm blinded 'cause you are everything I see	'Cause I can love you more than this, yeah
I'm dancing alone	I've never had the words to say
I'm praying that your heart will just (1) around	But now I'm asking you to stay
And as I walk up to your door	For a little (5) inside my arms
My head turns to face the floor	And as you close your eyes tonight
'Cause I can't (2) you in the eyes and say	I pray that you will see the light
When he opens his (3) and hold you close tonight	That's shining from the stars above and I say
It just won't feel right	When he (6) his arms and hold you close tonigh
'Cause I can love you more than this, yeah	It just won't feel right
When he lays you down, I might just die inside	'Cause I can love you more than this
It just won't feel right	'Cause I can love you more than this
'Cause I can love you (4) than this	When he lays you down, I might just die inside
I can love you more than this?	It just won't (7) right
If I'm louder, would you see me?	'Cause I can (8) you more than this, yeah
Would you lay down in my arms and rescue me?	When he opens his arms and hold you close tonight
'Cause we are the same	It just don't feel right
You save me, when you leave it's gone again	'Cause I can love you more (9) this, yeah
And then I see you on the street	When he (10) you down, I might just die inside
In his arms, I get weak	It just don't feel right
My body fails, I'm on my knees praying	'Cause I can love you more than this
When he opens his arms and hold you close tonight	Can love you more than this?
It just won't feel right	
'Cause I can love you more than this, yeah
