

You're no loser

Fill in the gaps

Man In The Rain by Mike Oldfield & Cara Dillon

You're the one who's nearly breaking my heart			There's still time to ride that train					
Had your chance, you just (1)	it all away		And you must be on your way tonight					
Living in a world that you (2)	(3)	be	Think	(11)	(1	2)	through,	you're a
a part of			man in	the rain				
And now's the (4) to walk away			How's it feel when there's					
You can't stay, no, you can't stay			Time to remember?					
You're no loser			Branches bare (13) the					
There's still (5) to ride that train			Trees in November					
And you must be on (6) way tonight			How's it feel (14) there's					
Think anew right through, you're a man in the rain			Time to remember?					
What's the use in hanging round (7) walls			Branches bare like the					
Lamps are burning, but nobody's at home			Trees in November					
There's a new day dawning as a cold rain falls			(Threw it all away)					
And now's the (8) to (9) alone			You can't stay, no, you can't stay					
You can't stay, no, you can't stay			You're no loser					
You're no loser			There's (15) time to ride that train					
There's still time to ride that train			And you must be on your way tonight					
And you (10) be on your way tonight			Think anew right through, you're a man in the rain					
Think anew right through, you're a man in the rain			Threw it all away					
How's it feel when there's			Threw it all away					
Time to remember?			And now's the time to walk away					
Branches bare like the			You can't stay, no, you can't stay					
Trees in November			You're no loser					
Had it all			There's still time to ride that train					
Threw it all away			And you must be on (16) way tonight					
Now's the time to walk away			(Think (17) right through, you're a man in the rain)					
You can't stay, no, you can't stay
