## Welcome To My Life by Simple Plan

in

Do you ever feel like breaking down?		To feel like you've been pushed around
Do you ever feel out of place?		To be on the edge of breaking down
Like somehow you just don't belong		And no one's (5) to save you
And no one (1)	you	No you don't know what it's like
Do you ever want to run away?		Welcome to my life
Do you lock yourself in your room?		No one ever lied straight to your face
With the radio on turned up so loud		And no one ever stabbed you in the back
That no one hears you screaming		You might think I'm happy
No you don't know what it's like		But I'm not gonna be ok
When nothing feels alright		Everybody always gave you (6) you wanted
You don't know what it's like		You never had to work
To be like me		It was always there
To be hurt, to feel (2)		You don't know what it's like
To be left out in the dark		What it's like
To be kicked when you're down		To be hurt, to feel lost
To feel like you've been pushed around		To be left out in the dark
To be on the edge of breaking down		To be kicked when you're down
And no one's (3) to save you		To feel like you've been pushed around
No you don't know what it's like		To be on the edge of breaking down
Welcome to my life		And no one's there to save you
Do you wanna be somebody else?		No you don't know what it's like (what it's like)
Are you sick of feeling so left out?		To be hurt
Are you desperate to find (4)	more	To (7) lost
Before your life is over?		To be left out in the dark
Are you stuck inside a world you hate?		To be kicked
Are you sick of everyone around?		When you're down
With their big fake smiles and stupid lies		To (8) like you've been (9) around
While deep inside you're bleeding		To be on the edge of breaking down
No you don't know what it's like		And no one's there to save you
When nothing feels alright		No you don't know what it's like
You don't know what it's like		Welcome to my (10)
To be like me		Welcome to my life
To be hurt, to feel lost		Welcome to my life
To be left out in the dark		
To be kicked when you're down
