Fill in the gaps

Can't Hold Us Down by Christina Aguilera & Lil' Kim

So what am I not supposed to have an opinion
Should I be quiet just because I'm a woman
Call me a (1) cause I speak what's on my mind
Guess it's easier for you to swallow if I sat and smiled
When a female fires back
Suddenly big talker don't know how to act
So he does what any little boy will do
Making up a few false rumors or two
That for sure is not a man to me
Slanderin' names for popularity
It's sad you only get your fame through controversy
But now it's time for me
To come and give you more to say
This is for my girls all around the world
Who've come across a man
That don't respect your worth
Thinking all women (2) be seen, not heard
So what do we do girls?
Shout louder!
Letting them know we're gonna stand our ground
Lift your hands high and wave them proud
Take a deep breath and say it loud
Never can, never will, can't hold us down
Nobody can hold us down
Nobody can hold us down
Nobody can hold us down
Never can, never will
So what am I not supposed to say

What I'm saying

Fill in the gaps

Are you offended by the message I'm bringing
Call me whatever cos your words
Don't mean a thing
Guess you ain't even a man enough
To handle what I sing
If you look back in history
It's a common double standard of society
The guy gets all the glory the more he can score
While the girl can do the same
And yet you call her a whore
I don't understand why it's okay
The guy can get away with it the girl gets named
All my ladies come together and make a change
Start a new beginning for us everybody sing
This is for my girls all around the world
Who've come across a man
That don't respect your worth
Thinking all women should be seen, not heard
What do we do girls?
Shout louder!
Letting (3) know we're gonna stand our ground
Lift your hands high and wave 'em proud
Take a deep breath and say it loud
Never can, never will
(Check it) can't hold us down
Here's something I just can't understand
If the guy have three girls then he's the man
He can either give us some head, sex her off
If the girl do the same, then she's a whore

But the table's (4)_____ to turn up

Cats take my ideas and put their (5) on it
It's aiight though, you can't hold me down
I got to keep on movin'
To all my girls with a man who be tryin to mack
Do it right back to him and let (6) be that
You need to let him know that his game is whack
And Lil' Kim and Christina Aguilera got your back
But you're just a little boy
Think you're so cute, so coy
You must talk so big
To make up for smaller things
So you're just a (7) boy
All you'll do is annoy
You must talk so big
To make up for smaller things
This is for my girls
This is for my girls all around the world
Who've come across a man
That don't respect your worth
Thinking all women should be seen, not heard
So what do we do girls?
Should out loud!
Letting them know we're (8) stand our ground
Lift your hands high and wave 'em proud
Take a deep breath and say it loud
Never can, never will, can't hold us down
This is for my girls all around the world
