

Can't Hold Us Down by Christina Aguilera & Lil' Kim

So (1)	_ am I not (2)	to have an opinion	
Should I be quiet just because I'm a woman			
Call me a bitch cause I speak what's on my mind			
Guess it's (3)	for you to (4)	if I sat and smiled	
When a female fires back			
Suddenly big talker don't know how to act			
So he does what any little boy will do			
Making up a few false rumors or two			
That for sure is not a man to me			
Slanderin' names for popularity			
It's sad you only get your fame through controversy			
But now it's time for me			
To come and give you more to say			
This is for my girls all around the world			
Who've come across a man			
That don't respect your worth			
Thinking all women should be seen, not heard			
So (5) do we do girls?			
Shout louder!			
Letting them (6)	we're gonna (7)	our ground	
Lift your (8) high and wave them proud			
Take a deep breath and say it loud			
Never can, never will, can't hold us down			
Nobody can hold us down			
Nobody can hold us down			
Nobody can hold us down			
Never can, never will			
So what am I not supposed to say
