SUB inglés

Fill in the gaps

The Voice Within by Christina Aguilera

Young girl, don't cry	No one reaches out a hand for you to hold
I'll be right here when your world starts to fall	When you're lost outside, look inside to your soul
(Uh)	When there's no one else, look (5) yourself
Young girl, it's alright	Like your oldest friend, just trust the (6) within
Your tears will dry, you'll soon be free to fly	Then you'll find the strength, (7) will guide your
(Uh)	way
When you're safe inside your room, you tend to dream	If you'll learn to begin to trust the voice within
Of a place where nothing's harder than it seems	Life is a journey
No one ever wants or bothers to explain	It can take you anywhere you (8) to go
Of the heartache life can bring and what it means	As long as you're learning
When there's no one else, look inside yourself	You'll find all, you'll ever need to know
Like your oldest friend, just trust the voice within	Break it
Then you'll find the strength, that will guide your way	You'll make it
You'll learn to begin to (1) the (2)	Just don't forsake it because
within	
(Oh)	No one can (9) you, you know (10) I'm
Young girl, don't hide	talking to you
You'll never (3) if you just run away	When there's no one else, look inside yourself
(Uh)	And like your oldest friend, just trust the voice within
Young girl, (4) hold tight	Then you'll find the strength, that will guide your way
Soon you're gonna see your brighter day	You'll learn to begin to trust the voice within
(Oh)	Young girl, don't cry
Now, in a world where innocence is quickly claimed	I'll be right here when your world starts to fall
It's so hard to stand your ground, when you're so afraid
