Ain't No Other Man by Christina Aguilera

(Hey)	Ain't no other man that can stand up next to you
(Do (1) thing honey)	Ain't no other man on the planet, does what you do (do)
I could feel it from the start	You're the kinda guy a girl finds, in a blue moon
Couldn't stand to be apart	You got soul (soul), you got class (class)
Something about you caught my eye	You got style with your badass (yeh yeh yeah)
Something moved me deep inside	Ain't no other man it's true
I don't know what you did boy, but you had it	Ain't no other man but you
And I've been hooked ever since	(Break it down now)
I told my mother, my brother	Ain't no other, ain't, ain't, no other, other
My sister and my friends	Ain't no other, ain't, ain't, no other lover
Told the others (others), my lovers (lovers)	Ain't no other, I, I, I need no other
Both past and present tense (oh right)	Ain't no other man but you
That every time I see you	You are there when I'm a mess
Everything starts making sense	Talk me down from (7) ledge
(Do (2) thing honey)	Give me strength, boy you're the best
Ain't no other man (3) can stand up next to you	You're the only one who's (8) passed every test
Ain't no other man on the planet, does what you do	Ain't no other man that can stand up next to you

Ain't no other man but you	You got style with your badass
Never thought I'd be alright (no no no)	Ain't no other man it's true
Till you came and changed my life (yeh yeh yeah)	Ain't no other man but you
What was cloudy now is clear (yeh yeh)	And now I'm telling you
You're the light that I needed	So ain't no other man but you (hey)
You got what I (4) boy, and I (5) it	Ain't no other man that can stand up next to you
So keep on giving it up	Ain't no other man on the planet, does what you do

Your (6) and your friends	You got soul, you got class
