## Ain't No Other Man by Christina Aguilera

(Hey)	Ain't no (13) man that can stand up next to you
(Do your thing honey)	Ain't no other man on the planet, (14) what you do
could feel it from the start	(do)
Couldn't stand to be apart	You're the kinda guy a (15) finds, in a blue moon
Something about you caught my eye	You got soul (soul), you got class (class)
Something moved me deep inside	You got style (16) your (17) (yeh
don't know what you did boy, but you had it	yeh yeah)
And I've been (1) (2) since	Ain't no other man it's true
told my mother, my brother	Ain't no other man but you
My sister and my friends	(Break it down now)
Told the others (others), my lovers (lovers)	Ain't no other, ain't, ain't, no other, other
Both past and present tense (oh right)	Ain't no other, ain't, ain't, no other lover
That every time I see you	Ain't no other, I, I, I need no other
Everything (3) making sense	Ain't no other man but you
(Do your thing honey)	You are there when I'm a mess
Ain't no other man that can stand up (4) to you	Talk me down (18) every ledge
Ain't no other man on the planet, (5) what you do	Give me strength, boy you're the best
You're the kinda guy a girl finds, in a (6) moon	You're the (19) one who's ever passed
You got soul, you got class	(20) test
You got (7) with your badass (oh yeah)	Ain't no other man that can (21) up
Ain't no other man it's true (all right)	(22) to you
Ain't no other man but you	(Next to you)
Never thought I'd be alright (no no no)	Ain't no other man on the planet, does what you do
Fill you (8) and changed my life (yeh yeh yeah)	You're the (23) guy a girl finds, in a blue moon
What was cloudy now is clear (yeh yeh)	You got soul, you got class
You're the light that I needed	You got (24) with your badass
You got what I want boy, and I want it	Ain't no other man it's true
So keep on giving it up	Ain't no other man but you
So (9) (10) mother, your brother	And now I'm (25) you
Your sister and your friends	So ain't no other man but you (hey)
(Your sister and your friends)	Ain't no other man (26) can stand up next to you
Tell the others, your lovers (lovers)	Ain't no (27) man on the planet, does what you
Better not be (11) tense	do
Cause I (12) everyone to know	You're the (28) guy a girl finds, in a blue moon
That you are mine and no one else's	You got soul, you got class
