

Can you love mine?

Fill in the gaps

	Nobody's a picture perfect
There's a place that I know	But we're worth it
It's not pretty (1) and few have ever gone	You know that we're worth it
If I show it to you now	Will you (5) me?
Will it (2) you run away	Even with my dark side?
Or will you stay	Don't run away
Even if it hurts	Don't run away
Even if I try to push you out	Just tell me that you will stay
Will you return?	Promise me you will stay
And remind me who I really am	Don't run away
Please remind me who I really am	Don't run away
Everybody's got a dark side	Just promise me you (6) stay
Do you love me?	Promise me you (7) stay
Can you love mine?	Will you love me?
Nobody's a picture perfect	(Oh)
But we're worth it	Everybody's got a dark side
You know that we're worth it	Do you love me?
Will you love me?	Can you love mine?
Even (3) my dark side?	Nobody's a picture perfect
Like a diamond n	But we're (8) it
From black dust	You know that we're worth it
It's (4) to know	Will you love me?
It can become	Even with my (9) side?
A few give up	Don't run away
So don't give up on me	Don't run away
Please remind me who I really am	Don't run away
Everybody's got a dark side	Promise me you will stay
