

Fill in the gaps

•••		Nobody's a (14) periect
There's a (1)	(2) I know	But we're worth it
It's not pretty there and few have (3) gone		You know (15) we're worth it
If I show it to you now		Will you (16) me?
Will it make you run a	way	Even (17) my (18) side?
Or will you stay		Don't run away
Even if it hurts		Don't run away
Even if I try to push you out		Just tell me that you (19) stay
Will you return?		Promise me you (20) stay
And (4) me who I really am		Don't run away
Please remind me who I really am		Don't run away
Everybody's got a dark side		Just promise me you will stay
Do you love me?		Promise me you (21) stay
Can you love mine?		Will you (22) me?
Nobody's a picture perfect		(Oh)
But we're (5) it		Everybody's got a dark side
You know that we're worth it		Do you love me?
Will you (6) me?		Can you love mine?
Even (7) my dark side?		Nobody's a picture perfect
Like a (8) n		But we're worth it
From black dust		You (23) that we're worth it
It's (9) to know		Will you love me?
It can become		Even (24) my dark side?
A few (10) up		Don't run away
So don't (11) up on me		Don't run away
Please remind me who I really am		Don't run away
Everybody's got a (12) side		Promise me you will stay
Do you (13)	_ me?	
Can you love mine?
