Shadow by Ashlee Simpson

Trying to find a hand to hold but every touch felt cold to me

Fill in the gaps

I was six years old		Living in a nightmare
When my parents went away		A never-ending sleep
I was stuck (1) a broken life		But now that I am wide awake
I couldn't wish away		Then I can finally see
She was beautiful		Don't feel sorry for me-
She had everything and more		Mother, sister, father, sister, mother
And my escape was (2)	out and running for	Everything's cool now
the door		Mother, sister, father, sister, mother
Somebody listen please		Everything's cool now
It used to be so hard being me		Oh, my life is good
Living in the shadow		I've got more than anyone should
Of someone else's dream		Oh, my life is good
Trying to find a hand to hold but every touch felt cold to me		And the past in the past
Living in a nightmare		I was living in the shadow
A never-ending sleep		Of someone else's dream
But now that I am wide awake		Trying to find a hand to (6) but every touch felt cold
My chains are finally free		to me
Don't feel sorry for me		I'm living in a new day
All the days collided		I'm (7) it for me
One less (3)	(4) the next	And now that I am wide awake
I was stuck inside someone else's life and always second best		Then I can (8) see
Oh, I love you now 'cause now I realize		Don't feel sorry for me
That it's safe outside to come alive in my identity		Don't feel sorry, don't (9) sorry for me
So if you're listening		Don't feel sorry, don't (10) sorry for me
There's so much more to me you haven't seen		Living in, living in the shadow
Living in the shadow		Living in, living in, a new day
Of (5) else's dream		

- 1. inside
- 2. hiding
- 3. perfect
- 4. than
- 5. someone
- 6. hold
- 7. living
- 8. finally
- 9. feel
- 10. feel

Fill in the gaps
