

## Fill in the gaps

I was six years old	Living in a nightmare
When my parents went away	A never-ending sleep
I was (1) inside a (2) life	But now that I am wide awake
I couldn't wish away	Then I can (14) see
She was beautiful	Don't feel sorry for me-
She had everything and more	Mother, sister, father, sister, mother
And my escape was hiding out and (3) for	Everything's cool now
the door	Mother, sister, father, sister, mother
Somebody listen please	Everything's cool now
It used to be so hard (4) me	Oh, my life is good
Living in the shadow	I've got more (15) anyone should
Of someone else's dream	Oh, my life is good
Trying to find a hand to hold but (5) touch felt	And the past in the past
cold to me	I was (16) in the shadow
Living in a nightmare	Of someone else's dream
A never-ending sleep	Trying to find a (17) to hold but (18)
But now (6) I am wide awake	touch (19) cold to me
My chains are finally free	I'm (20) in a new day
Don't feel (7) for me	I'm living it for me
All the days collided	And now (21) I am (22) awake
One less perfect than the next	Then I can (23) see
I was stuck inside (8) else's life and always	Don't feel (24) for me
(9) best	Don't feel sorry, don't feel (25) for me
Oh, I (10) you now 'cause now I realize	Don't feel sorry, don't feel sorry for me
That it's safe outside to come (11) in my identity	Living in, (26) in, living in the shadow
So if you're listening	Living in, (27) in, living in a new day
There's so much more to me you haven't seen	
Living in the shadow	
Of (12) else's dream	
Trying to find a hand to (13) but every touch felt	
cold to me
