

## Reality by Richard Sanderson

Met you by surprise	I'll see how a real thing can be
I didn't realize	Dreams are my reality
That my life would (1)_____ forever	A wonderous world (5)_____ I like to be
Saw you standing there	I dream of (6)_____ you all night
I didn't (2)_____ I cared	And holding you seems right
There was something special in the air	Perhaps that's my reality
Dreams are my reality	Met you by surprise
The only kind of real fantasy	I didn't realize
Illusions are a common thing	That my life would change forever
I try to live in dreams	Tell me (7)_____ it's true
It seems as if it's (3)_____ to be	Feelings that I am you
Dreams are my reality	I feel something special about you
A different kind of reality	Dreams are my reality
I dream of loving in the night	A (8)_____ world where I (9)_____ to
And loving seems alright	be
Although it's (4)_____ fantasy	Illusions are a common thing
If you do exist, honey don't resist	I try to live in dreams
Show me a new way of loving	Although it's only fantasy
Tell me that it's true	Dreams are my reality
Show me what to do	I like to dream of you close to me
I feel something special about you	I dream of (10)_____ in the night
Dreams are my reality	And loving you seems right
The only kind of reality	Perhaps that's my reality
Maybe my foolishness has past	
And maybe now at last
