

So just give it one more try

Fill in the gaps

Well I know the feeling	To a lullaby
Of finding yourself stuck out on the ledge	And turn this up on the radio
And there ain't no healing	If you can hear me now
From cutting yourself with the jagged edge	I'm reaching out
I'm telling you that	To let you know that you're not alone
It's never that bad	And you can tell
Take it from (1) who's been where you're at	I'm scared as hell
Lay down on the floor	'Cause I can't get you on the telephone
And you're not sure	So just close your eyes
You can take this anymore	Well (5) here comes a lullaby
So just give it one more try	Your very own lullaby
To a lullaby	Well everybody's hit the bottom
And turn this up on the radio	And everybody's been forgotten
If you can hear me now	When everybody's tired of being alone
I'm reaching out	Yeah everybody's (6) abandoned
To let you (2) that you're not alone	And left a little empty handed
And you can tell	So if you're out there barely hanging on
I'm scared as hell	Just (7) it one more try
'Cause I can't get you on the telephone	To a lullaby
So just close your eyes	And turn this up on the radio
Well honey here comes a lullaby	If you can hear me now
Your very own lullaby	I'm reaching out
Please let me take you	To let you know (8) you're not alon
Out of the darkness and into the light	And you can tell
'Cause I have faith in you	I'm scared as hell
That you're gonna make it through another night	'Cause I can't get you on the telephone
Stop thinking about	So just close your eyes
The easy way out	Well honey here comes a lullaby
There's no (3) to go and blow the candle out	Your very own lullaby
Because you're not done	Well honey here comes a lullaby
You're far too young	Your very own lullaby
And the (4) is yet to come
