

## Fill in the gaps

•••	Follow if you wanna, won't just hang around
No words	Like you'll (16) me where to go
But (1) won't make any room for more, and it	I'm already out
Don't hurt	Of (17) ideas
Like anything I've ever felt before, this is	So don't ask me how
No broken heart	To get started
No familiar scars	It's all uncharted
This territory goes uncharted	Jumpstart my kaleidoscope heart
Just me	Love to (18) the colors fade
In a room (2) (3) in a (4)	They may not make sense
in a town, and I	But (19) as (21) made
Don't breathe	me
Though I (5) meant to let it get away from me	I won't go as a passenger, no
Now I've	Waiting for the (22) to be laid
Too much to hold	Though I may be going down
Everybody has to	I'll take in flame
Get their (6) on gold	Over burning out
And I want uncharted	Compare
Stuck (7) the (8) I made	Where you are to where you wanna be
I can't (9) but feeling	And you'll get
I'm (10) down	Nowhere
Follow if you wanna	I'm going down
Won't (11) hang around	Follow if you wanna, won't just hang around
Like you'll show me where to go	Like you'll show me (23) to go
I'm already out	I'm already out
Of foolproof ideas	Of foolproof ideas
So don't ask me how	So don't ask me how
To get started	To get started, oh
It's all uncharted	I'm going down
	Follow if you wanna
Each day	Won't (24) hang around
I'm counting up the (12) 'till I get alone	Like you'll (25) me where to go
'Cause I can't stay	I'm (26) out
In the middle of it all	Of (27) ideas
It's nobody's fault but I'm	So don't ask me how
So low	To get started
Never knew how much I didn't know	It's all uncharted
Oh, (13) is uncharted	
I know I'm (14) nowhere	
When I only sit and stare, like	
I'm (15) down
