Underclass Hero by Sum 41

Fill in the gaps

(1, 2, 3, 4)	(Of the degeneration)
Well I won't be (1) living in a dead-end job	Everyone sing
Or praying to a (2) guns and gods	(The anthem of no future)
And now it's us against them	Down with the mass
We're here to represent	('Cause we're not listening)
And (3) right in the (4) of the	Well (11) we're doing fine
establishment	And we don't need to be told
And now I don't believe	That we're (12) fine
(In having (5) in nothing)	'Cause we won't give you control
Stand on my own	And we don't need anything (13) you
(And got no sympathy)	'Cause we'll be just fine
Wasting (6) youth	And we won't be bought and sold
(While feeling (7) and useless)	Just like you
Speak for yourself	May I have your attention, please?
(And don't pray for me)	I pledge allegiance to the underclass
Well because we're doing fine	As your hero at large!
And we don't (8) to be told	(1, 2, 3, 4)
That we're doing fine	We're the saints of degeneration
'Cause we won't give you control	We don't owe anyone an explanation
And we don't need (9) from you	*** elitists, we don't need this
'Cause we'll be (10) fine	We're the elite of (14) alright
And we won't be bought and sold	And (15) (16) we're doing fine
Just like you	And we don't need to be told
(A call across the underclass)	That we're doing fine
Calling out loud with no respect	'Cause we won't give you control
I'm not the one, just another reject	And we don't (17) anything from you
I'm the voice to offend	'Cause we'll be (18) fine
All those who pretend	And we won't be bought and sold
Unsung against the grain I'm here to rise against	Just like you
And now I'm desensitized	
(I state my place in nowhere)
