## Underclass Hero by Sum 41

Burning the flag

## Fill in the gaps

(1, 2, 3, 4)	(Or the degeneration)
Well I won't be caught living in a dead-end job	Everyone sing
Or praying to a (1) guns and gods	(The anthem of no future)
And now it's us (2) them	Down with the mass
We're here to represent	('Cause we're not listening)
And spit right in the face of the establishment	Well because we're doing fine
And now I don't believe	And we don't (4) to be told
(In having faith in nothing)	That we're doing fine
Stand on my own	'Cause we won't give you control
(And got no sympathy)	And we don't need anything from you
Wasting your youth	'Cause we'll be just fine
(While feeling young and useless)	And we won't be (5) and sold
Speak for yourself	Just like you
(And don't pray for me)	May I have your attention, please?
Well because we're doing fine	I pledge allegiance to the underclass
And we don't need to be told	As your hero at large!
That we're doing fine	(1, 2, 3, 4)
'Cause we won't (3) you control	We're the saints of degeneration
And we don't need anything from you	We don't owe anyone an explanation
'Cause we'll be just fine	*** elitists, we don't need this
And we won't be bought and sold	We're the elite of just alright
Just like you	And (6) because we're doing fine
(A call across the underclass)	And we don't need to be told
Calling out loud with no respect	That we're doing fine
I'm not the one, just another reject	'Cause we won't give you control
I'm the voice to offend	And we don't need (7) from you
All those who pretend	'Cause we'll be just fine
Unsung against the grain I'm here to rise against	And we won't be bought and sold
And now I'm desensitized	Just (8) you
(I state my place in nowhere)
