What's	the	difference	of	(1)		
(2)		at all?				
When every step I take is always too small						
Maybe it's (3) something I can't admit						
But lately, I feel like I don't give a ***						
Motivation such an aggravation						
Accusations don't know how to take them						
Inspiration's getting hard to fake it						
Concentration's never hard to break it						
Situation never what you want it to be						
What's the point of never making mistakes?						
Self-indulgence is such a hard (4) to break						
It's all just a waste of time in the end						
Don't care, so why should I even pretend						
Motivation such an aggravation						
Accusation	ns dor	n't (5)	ho	how to take them		
Inspiration's getting hard to fake it						
Concentration's never hard to break it						
Situation never what you want it						
Nothing's new, everything's the same						
Keeps on dragging me down						
It's getting kind of lame						
Falling further behind						

There's nothing to explain						
No (6) what you say						
Nothing's gonna change my mind						
Can't depend on doubt until the end						
It seems like leaving friends has become						
This (7) (8) and though I can't						
pretend						
A friend (9) be this way						
It's not the same but who's to blame						
For all those stupid (10) I never said						
Motivation such an aggravation						
Accusations don't know how to take them						
Inspiration's getting hard to fake it						
Concentration's never hard to break it						
Motivation such an aggravation						
Accusations don't know how to take them						
Inspiration's getting hard to fake it						
Concentration						
Situation never what you want it to be						
Never what you want it to be						
Never what you want it to be
