

Fill in the gaps

What's the difference of (1) knowing at all?	There's nothing to explain
When every step I (2) is (3) too	No (16) you say
small	Nothing's gonna change my mind
Maybe it's just (4) I can't admit	Can't (18) on doubt until the end
But lately, I feel like I don't give a ***	It seems like leaving (19) has become
Motivation such an aggravation	This (20) trend and though I can't pretend
Accusations don't know how to (5) them	A friend (21) be this way
Inspiration's (6) hard to (7) it	It's not the same but who's to blame
Concentration's never hard to (8) it	For all those stupid things I never said
Situation (9) what you want it to be	Motivation (22) an aggravation
What's the (10) of never making mistakes?	Accusations don't know how to take them
Self-indulgence is such a hard habit to break	Inspiration's getting hard to fake it
It's all just a waste of time in the end	Concentration's (23) hard to break it
Don't care, so why should I (11) pretend	Motivation such an aggravation
Motivation (12) an aggravation	Accusations don't (24) how to take them
Accusations don't (13) how to take them	Inspiration's (25) hard to fake it
Inspiration's getting hard to fake it	Concentration
Concentration's (14) hard to break it	Situation (26) what you want it to be
Situation never what you want it	Never what you want it to be
Nothing's new, everything's the same	Never what you want it to be
Keeps on dragging me down	
It's getting kind of lame
