

## Fill in the gaps

The faster we're falling	Up above in my head
We're stopping and stalling	Instead of (14) under
We're running in (1) again	Instead of (15) under
Just as things we're (2) up	(Instead of going under)
You (3) it wasn't good enough	Instead of going under
But still we're trying one more time	I can't sit back and wonder why
Maybe we're just trying to hard	It took so long for (16) to die
When really it's closer than it is too far	And I (17) it when you (18) it
Cause I'm in too deep	You can't hide it you (19) as well embrace it
And I'm trying to keep	So (20) me it's not easy
Up above in my head	It seems that something's telling me
Instead of going under	I'm in too deep
Cause I'm in too deep	And I'm trying to keep
And I'm trying to keep	Up above in my head
Up (4) in my head	Instead of going under
Instead of going under	Cause I'm in too deep
Instead of going under	And I'm trying to keep
Seems like each time	Up above in my head
I'm with you I loose my mind	Instead of going under
Because I'm bending over (5) to relate	Cause I'm in too deep
It's one (6) to complain	And I'm trying to keep
But when you're (7) me insane	Up (21) in my head
Well then I think it's time (8) we took a break	Instead of (22) under
Maybe we're just (9) to hard	Instead of going under
When (10) it's (11) than it is	Instead of going under again
too far	Instead of (23) under
Cause I'm in too deep	Instead of going (24) again
And I'm trying to keep	Instead of going under (again)
Up (12) in my head	
Instead of going under	
Cause I'm in too deep	
And I'm (13) to keep
