

Fill in the gaps

		And back down	
Storming through the party		Don't count on me	
Like my name was El Niño		To let you know when	
When I'm (1) o	ut drinking	Don't count on me	
In the back of an El Camino		l'Il do it again	
As a kid		Don't count on me	
Was a skid		It's the point you're missing	
And no one (2) me by name		Don't count on me	
Trashed my own house party		'Cause I'm not listening	
'Cause nobody came		Well I'm a	
I know I'm not the one		No good nick lower middle (7)	brat
You thought you knew back in high school		(Backpacked)	
Never going, never showing up when we had to		And I don't give	
Attention that we crave, don't tell us to behave		About nothing	
I'm sick of always (3)	"act your age"	You be standing on the corner	
I don't wanna waste my time		Talking all that kufuffin	
Become another (4)	of society	Well you don't make sense	
I'll never fall in line		From all the gas you	
Become another victim of your conformity		'Cause if the egg don't stain	
And back down		You'll be ringing off the hook	
Because you don't		You're on the hit list	
Know us at all		Wanted in the telephone book	
We laugh when old people fall		I like songs with distortion	
But what would you expect		To drink in proportion	
With a conscience so small?		The dentist said my mom	
Heavy metal and mullets		Should've had an abortion	
It's how we were raised			
Maiden and Priest		I don't wanna waste my time	
Were the gods that we praised		Become (8) casualty of society	
'Cause we like having fun		I'll never fall in line	
At other people's (5)	and	Become another victim of (9)	conformity
Cutting people down is (6)	a minor offense then	And back down	
It's none of your concern		(Waste my time with them) casualty of society	
I guess I'll never learn		(Waste my time with them)	
I'm sick of being told to wait my turn		Victim of your conformity	
I don't wanna waste my time		And back down	
Become another casualty of society			
I'll never fall in line			
Become another victim of your co	nformity
