It Ends Tonight by The All-American Rejects

Your subtleties	It's too late to fight
They (1) me	It ends tonight
I can't explain myself at all	It ends tonight
And all the wants	Now I'm on my own side
And all the needs	It's (18) than being on your side
All I don't (2) to need at all	It's my (19) when you're blind
The walls start breathing	It's better that I see it through your eyes
My mind's unweaving	All (20) thoughts locked inside
Maybe it's (3) you leave me alone	Now you're the (21) to know
A (4) is lifted	When (22) to light
On this evening	It ends tonight
I give the (5) blow	It ends tonight
When darkness (6) to light	Just a little insight won't make (24) right
It ends tonight	It's too late to fight
It ends tonight	It ends tonight
A falling star	It ends
Least I (7) alone	When darkness turns to light
I can't explain (8) you can't explain	It ends tonight
You're (9) (10) that you	It ends tonight
didn't know	Just a little insight won't (25) this right
I (11) at you with such disdain	It's too late to fight
The walls start breathing	It (26) tonight
My mind's unweaving	It (27) tonight
Maybe it's (12) you leave me alone	Tonight
A (13) is lifted	Insight
On (14) evening	When darkness (28) to light
I give the final blow	It ends tonight
When (15) turns to light	
It ends tonight	
It ends tonight	
Just a little (16) won't (17) this	
right
