It Ends Tonight by The All-American Rejects

Your subtleties	It's too late to fight
They strangle me	It ends tonight
I can't (1)_____ myself at all	It ends tonight
And all the wants	Now I'm on my own side
And all the needs	It's better than being on your side
All I don't want to need at all	It's my fault when you're blind
The (2)_____ start breathing	It's better that I see it through (7)_____ eyes
My mind's unweaving	All these thoughts locked inside
Maybe it's best you leave me alone	Now you're the first to know
A weight is lifted	When darkness turns to light
On this evening	It ends tonight
I give the final blow	It ends tonight
When darkness turns to light	Just a little insight won't make this right
It ends tonight	It's too late to fight
It ends tonight	It ends tonight
A falling star	It ends
Least I fall alone	When darkness turns to light
I can't explain (3)_____ you can't explain	It ends tonight
You're (4)_____ (5)_____ that you	It ends tonight
didn't know	Just a little insight won't make (8)_____ right
I look at you with such disdain	It's too late to fight
The walls start breathing	It ends tonight
My mind's unweaving	It ends tonight
Maybe it's best you leave me alone	Tonight
